

A message from Pastor :

I believe that the world we live in has a sin problem. I have seen this in my own life, and in the lives of others. It is my personal experience and belief, that the only solution to this sin problem is the salvation that God provides through Jesus the Christ. This is a church where the Word of God is preached, where individuals are encouraged, and where hope can be found. I invite you to stop by and worship with us for a day or a life time.

Cascade Mountain Bible Church

Affiliation

- The doctrinal statement of this fellowship recognizes all the fundamentals of the Christian faith, including: the verbal inspiration of the Scriptures, the doctrine of the Trinity, the deity of the Lord Jesus, the deity and personality of the Holy Spirit, the total depravity of man by nature, redemption by grace through faith in the shed blood and finished work of Christ, the bodily resurrection of the dead, the eternal blessedness of the saved, and the eternal punishment of the unsaved.
- We also recognize the distinctive ministry and message given by the risen Christ through the apostle Paul. This distinctive ministry includes the recognition that the Church, the Body of Christ, began with the Apostle Paul. We believe Scripture teaches that all saved persons in this present dispensation of grace have been made members of the Body of Christ by one divine baptism. We are pre-millennial and pre-tribulational in our views of the end time.
